Our furry family members would like to think they're the cutest assets around here! Take a peek at the few pups in our life who also make magic happen around here.

## LUCY & LOUIE

*We're pretty rowdy at times but enjoy lazy long naps, indestructible chew toys, and lots of treats. Taking walks in the neighborhood is also our favorite along with barking at every delivery person.*

## EDDIE & YOLI

*Ruff! We're playful siblings who live for sunshine, long walks with Collin, and post-walk lounging on our cooling mats. Toys are banned (we eat them), but belly rubs are always welcome.*

## DOLLY & LITTLE

*We're a bundle of energy that loves to run zoomies around the house! My Mom saved our lives and adopted us from an animal shelter. We have lots of love to give. Our favorite things to do are go on car rides and get pup cups.*
